EXECUTIVE SUMMARY

Your Trusted Supplier &
Trader for Industrial &
Construction Solutions

INTRODUCTION

At Golden Safron Tech Contracting LLC, we are a leading supplier and trader of high-quality industrial, construction, and shading solutions in Dubai, Abu Dhabi, Sharjah, Ajman, and across the UAE, Oman, Qatar, Saudi Arabia, Kuwait, and Bahrain.

With a commitment to excellence, we provide a diverse range of products, including EPDM granules, PU binders, artificial turf, wire ropes, GI & SS shackles, fabric rolls, cement fibre boards, galvanized steel coils, and more.

WHY CHOOSE US?

- ✓ Premium Quality Products – Sourced from top manufacturers to ensure durability and reliability.
- ✓ Comprehensive Industry Solutions – From construction and shading to industrial applications.
- ✓ Competitive Pricing & Wholesale Options – Flexible pricing for bulk and retail customers.
- ✓ Timely Delivery Across UAE & GCC – Ensuring smooth supply chain operations.
- ✓ Customer-Centric Approach – Tailored solutions to meet specific business needs.

OUR MISSION

To be the leading supplier and trader of industrial and construction materials by delivering high-quality products, competitive pricing, and exceptional service to businesses across the UAE and GCC.

OUR VISION

To continuously innovate and expand our product range, becoming the most trusted name in industrial trading and supply across the Middle East.

OUR PRODUCTS

1

Galvanized (GI) Steel Coils

2

Wire Ropes

3

Fabric Rolls

4

Artificial Turf

5

Cement Fibre Board

6

EPDM Granules

7

GI & SS Shackles

8

PU Binder

GALVANIZED (GI) STEEL COILS

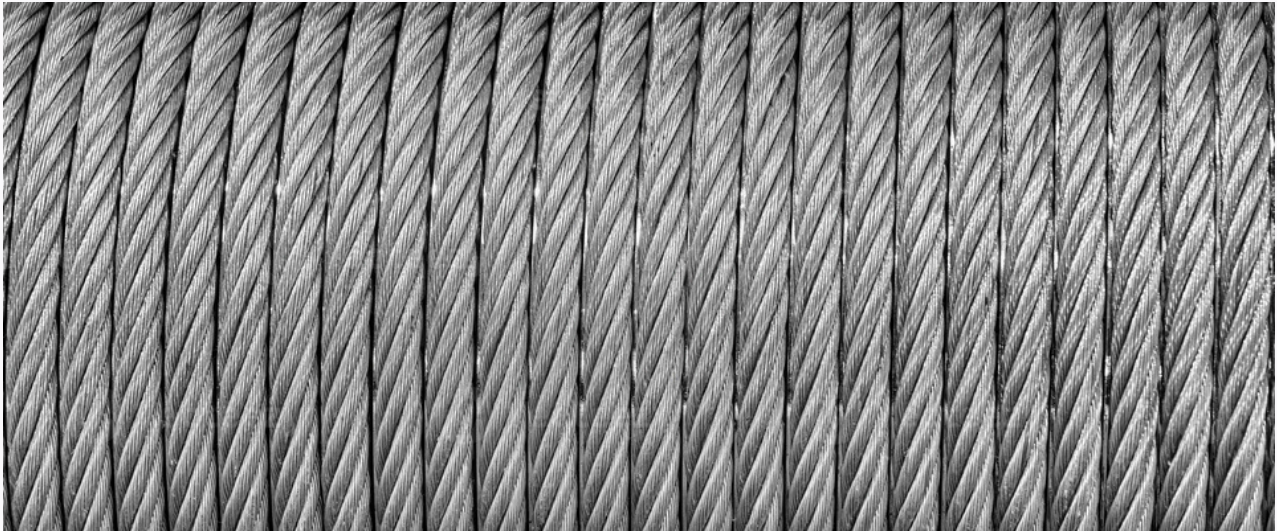

Why Choose Our Galvanized (GI) Steel Coils?

- **High-Quality Zinc Coating** – Ensures superior corrosion resistance and longevity.
- **Durable & Weather Resistant** – Suitable for harsh environmental conditions.
- **Available in Various Thicknesses & Widths** – Customizable to meet industry standards.
- **Strong & Lightweight** – Ideal for structural and roofing applications.
- **Wholesale & Retail Supply** – Cost-effective solutions for manufacturers, builders, and contractors.

WIRE ROPES

Why Choose Our Wire Ropes?

- **Superior Strength & Durability** – Made from high-quality steel for maximum load-bearing capacity.
- **Corrosion & Weather Resistant** – Engineered to withstand harsh environmental conditions.
- **Various Sizes & Configurations** – Available in multiple diameters and constructions to suit different applications.
- **Reliable Performance** – Manufactured to meet international safety and quality standards.
- **Competitive Pricing** – Affordable solutions for both **wholesale and retail** customers.

FABRIC ROLLS

Why Choose Our Fabric Rolls?

- **High-Quality & Durable** – Made from premium materials designed for long-lasting performance.
- **UV & Weather Resistant** – Provides excellent sun protection and withstands harsh climate conditions.
- **Available in Various Colors & Textures** – Customizable options to match different shading structures.
- **Breathable & Lightweight** – Ensures ventilation while offering effective shade.
- **Wholesale & Retail Supply** – Cost-effective solutions for contractors, businesses, and individuals.

ARTIFICIAL TURF

Why Choose Our Artificial Turf?

- **Natural Look & Feel** – Designed to mimic real grass with soft, lush textures.
- **UV & Weather Resistant** – Maintains color and quality even under extreme weather conditions.
- **Low Maintenance** – No need for watering, mowing, or fertilizing.
- **Eco-Friendly & Safe** – Free from harmful chemicals, making it safe for kids and pets.
- **Durable & Long-Lasting** – Engineered to withstand heavy foot traffic and prolonged use.

CEMENT FIBRE BOARD

Why Choose Our Cement Fibre Board?

- **High Strength & Durability** – Manufactured from premium cement and reinforced fibres for superior performance.
- **Moisture & Weather Resistant** – Ideal for humid and harsh environments.
- **Fire-Resistant & Termite Proof** – Ensuring enhanced safety and longevity.
- **Lightweight & Easy to Install** – Facilitates quick and efficient construction.
- **Wholesale & Retail Supply** – Cost-effective solutions for contractors, architects, and builders.

EPDM GRANULES

Why Choose Our EPDM Granules?

- **High-Quality Material** – UV-resistant, weatherproof, and designed for long-term use.
- **Impact Absorption** – Reduces injury risks, ideal for playgrounds and sports surfaces.
- **Customizable Options** – Available in multiple colors and granule sizes to suit your project.
- **Eco-Friendly & Safe** – Made from non-toxic materials, ensuring a safe environment.
- **Competitive Pricing** – Available for both EPDM Granules wholesale and retail customers.

GI & SS SHACKLES

Why Choose Our GI & SS Shackles?

- **High-Strength & Durable** – Manufactured from premium-grade galvanized iron and stainless steel for heavy-duty applications.
- **Corrosion & Rust Resistant** – Ideal for marine, construction, and offshore environments.
- **Available in Various Sizes** – Wide range of shackle types and load capacities to suit different needs.
- **Certified for Safety** – Compliant with international quality standards for lifting and rigging.
- **Competitive Pricing** – Cost-effective solutions for **wholesale and retail** customers.

PU BINDER

Why Choose Our PU Binder?

- **Outdoor Sports Flooring** – Ensures durability and high-performance surfaces.
- **Indoor Sports Flooring** – Provides shock absorption and resilience.
- **Cycling Tracks** – Enhances safety and traction for cyclists.
- **Running & Jogging Tracks** – Delivers excellent grip and longevity.
- **Playground Flooring** – Creates soft, impact-resistant surfaces for children.
- **Football Pitches & Padel Courts** – Ensures high-quality, long-lasting flooring solutions.
